Red, White & Blue Party

CANCER HASN'T STOPPED, SO NEITHER CAN WE.

We would like to send a special thank you to each and every one of you for helping make the 4th annual Red, White & Blue Party possible!

To every single sponsor, guest and donor, we extend our deepest gratitude for your commitment to stand beside us and fight this terrible disease. We are sincerely honored to have you on our team and know that together, we will continue to make great progress in the fight against cancer.

We would also like to take a moment and thank all of our volunteers. We are predominantly a volunteer driven organization and you truly are at the heart of everything we do. Our volunteers fundraise, help patients, advocate for life-saving change, and are committed to helping us achieve our mission of saving lives, celebrating lives and leading the fight for a world without cancer.

Thank you! We cannot wait to see you all again next year!

Sincerely,

Your American Cancer Society Staff
